Wrapping paper

Short description:	Custom satin wrapping paper – available as sheets or rolls
Long description:	Our satin wrapping paper uses 95gsm paper, a weight that strikes the ideal balance between structure and flexibility. It's substantial enough to keep folds crisp and withstand sharp corners without tearing or showing through, and supple enough to wrap smoothly around any shape. Prodigi satin wrapping paper can be printed on demand with fully custom designs and all-over prints – whether you're creating seasonal gift wrap for Christmas and the holidays or something more occasion-specific for birthdays and anniversaries. Our satin wrapping paper rolls range from 28x40" up to a generous 28x197". Sheets come in sizes 20x28" up to 30x36" and can be ordered in singles or in packs of three – no minimum order required. If you're looking for a more rustic finish, take a look at our kraft wrapping paper.
